- If you have a conflict, please let the director know immediately. The grading policy states that an unexcused absence from a rehearsal or performance will be reflected in the student's grade, and continued absences may result in dismissal from the group.
- Absences are excused if you are sick and you bring a note, or if you have asked in advance to be excused due to circumstances beyond your control. A request for an absence should be made by the parent, in writing or by phone as far in advance as possible.
